Toronto, ON, Canada, M5R 1A9

Peter,

It is with confidence we recommend the professional services of Rouse Resources to an organization looking to find top talent at the senior sales and operational levels.

We quickly came to value your consultative approach and unique process to accurately profile the roles we were looking to fill. You and your team undertook a search process in a disciplined and thorough manner. Your intimate understanding of our search needs coupled with your ability to effectively market our company to the business community, both in Canada and the U.S.A., resulted in a highly qualified short list of talented professionals to choose from. You also assisted us in understanding candidates remuneration expectations and advised us in the drafting of offers that would meet with acceptance. Your commitment to customer service was evident by your post search follow up with us and our new hires.

Rouse Resources unique process, personal touch and integrity will be of value to any organization looking to make value added and long term hires.

Sincerely,

Joel Platt  
President
