Attention: Peter Rouse

Dear Peter,

I am sending a note to thank you and your team for the efforts and successes in assisting our organization in identifying key sales leaders for our Give and Go Prepared Foods Corp. and The Unisync Group organizations, both here and in the United States.

We appreciated your process and commitment to ensuring your team was armed with the right amount of insight to properly represent our role and business partners out in the marketplace. Your delivery was within the timelines agreed to, the short listed candidates reflective of a thorough understanding of our needs and prudent insight when entering the negotiation phase of the process.

We look forward to continued success in the future.

Sincerely,

KILMER CAPITAL PARTNERS
