To Whom it may Concern

Rouse Resources Inc. has managed a number of recruitment searches for JD Sweid Foods over the last five years. I believe their success in delivering strong candidates is their comprehensive and knowledgeable position brief prior to initiating the recruitment search. JD Sweid Foods has partnered with Rouse Resources Inc. for recruitment in Business Development, Product Development, Procurement, and Operations. They have consistently delivered on recruiting strong candidates that have strengthened our company.

It is of great pleasure that I recommend Rouse Resources Inc. to any organization in need of senior professional recruitment.

Sincerely,

Damian Byrne
VP Sales and Marketing
