Peter Rouse, President
Rouse Resources Inc.
14 Prince Arthur Avenue, Suite 300
Toronto, ON M5R 1A9

I have used the professional retained search services of Rouse Resources for 15 years – initially with Molson Canada as their Senior Vice President Quality Brewing and Vice President Operations – Ontario and currently with Sleeman Breweries Ltd. as their National Vice President Supply Chain.

We have partnered together on levels of search that ranged from strategic staff leadership to senior management. I have always been very satisfied with their level of service, attention to detail in clearly identifying our needs, commitment to keeping us involved and well informed throughout the recruiting process.

Their diverse knowledge of operations, engineering, supply chain management and continuous improvement have been instrumental in identifying qualified recruits for us.

We are repeatedly pleased with their ability to identify, qualify and present us with a select group of professionals meeting the specific needs of the role and demonstrating values consistent with our own. Our choices from their short lists have proven to be lasting and solid performers.

Peter and team, thank you for your continued support. I look forward to our next opportunity to partner together.

Sincerely,

Pierre Ferland
